Dear Ms. Clark:

The following is in response to the letter received today from the USEPA regarding the Powell Road Landfill in Huber Heights, Ohio.

I completed an information request on the site in September of 1989. Ms. Jan Bartlett stated that she had no record that Henry Stock & Son was sent a request in 1989. The enclosed letter was my 1989 response. It was agreed that a copy of the 1989 response would serve as my response to the latest request.

If you need any further information, please let me know.

Sincerely,

HENRY STOCK & SON, INC.
